16. **DOGS IN CARS ON HOT DAYS.** Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licenced events.
When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
When at the show, never leave your dog in the vehicle.
Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.
Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.
WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.
17. Anyone whose dog is entered at a Kennel Club licenced event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.

18. Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.
19. No modifications will be made to this schedule except by permission of the Board of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.
20. Only undocked and legally docked dogs may be entered for exhibition at this show.
21. The Show will be held under Kennel Club Rules and Show regulations. Every exhibitor making an entry or entries at this show shall be deemed to have agreed to abide by these Rules and Regulations and it is on this understanding only that entries are received.
22. Should a judge being prevented from fulfilling his or hers engagement, the Committee reserve the right to appoint another in his or hers place. Exhibitors may withdraw from competition but no fees will be returned.
23. The committee of Show Manager will be empowered to exclude any dog which it not in a fit state for exhibition from disease, vice or any cause whatsoever, and to cause its removal should any symptoms exhibit themselves during the Show.
24. Any owner, exhibitor or handler or other person in charge of a dog is required to remove immediately any fowling caused by their dog(s) and/or any grooming waste at any Kennel Club Licensed Show within the licensed venue and within the environs of that event including car and caravan parks and approaches.
25. The owner, exhibitor or handler or other person in charge of a dog at Kennel Club Licensed Events must at all times ensure that the dog is kept under proper control whilst at the Licensed venue and within the environs of that event including car and caravan parks and approaches.
26. A dog may be disqualified by the Board from any award, whether an objection has been lodged or not, if proved amongst other thing to have been registered and recorded as having been bred by the scheduled judge. This shall not apply to a judged appointed in an emergency.
27. Every Exhibitor shall ensure that whilst the dog is being exhibited, its handler shall display the correct ring number.

Soft Crates: The Kennel Club has asked that we draw attention to the potential health and safety implications concerning the use of soft crates as in its view, they do not offer sufficient protection to dogs. They have asked that we point out that dogs should not be left unattended in soft crates. There have been instances where dogs have escaped from soft crates which have not been securely fastened to benches, or that have been left at roadside.

We therefore ask that if you use soft crates, you do not leave the dogs unattended, either in the hall, or in an open car in the car park.
