Additional Guidance of F Regulation Amendments:

Regulations now stipulate that competition in AV/Stakes classes has no bearing on the main Breed competition at a show and it is therefore acceptable for beaten dogs to be eligible to challenge in Best Puppy in Group, Best in Group, Best Puppy in Show and Best in Show.

Dogs declared Best in Show and Reserve Best in Show do not need to be withdrawn from subsequent competition.

SECURITY AT SHOWS

In light of recent events the Kennel Club would like to issue a reminder to all societies of the importance of security at dog shows. The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring, it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and Security Services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.

Should you see anything suspicious or of concern, please alert the Show Manager/Show Secretary Kathy Wilkinson and/or the Chairman Eddie Houston immediately. If it is a package or bag you are concerned about, please do NOT attempt to move it or examine it yourself.

Should it be necessary for the hall to be evacuated, please remember that evacuation should be carried out as speedily but as safely as possible, as in the case of a fire. It is important that you do not block the exit routes with cages or bags and follow any instructions given to you by the Show Management regarding evacuation procedures.

KEEPING YOUR DOG UNDER CONTROL:

The Border Terrier Club Committee have been concerned recently that a minority number of dogs have shown aggression to other dogs in and out of the ring. Will all exhibitors note to please control your dogs throughout the show, to ensure a pleasant experience for everyone at the show. Dogs showing aggression towards other dogs or people cannot be tolerated. Please see in particular rule 25, reproduced elsewhere in this schedule, which advises:" If in the opinion of the Show Secretary, Show Manager or Judge any dog is considered not in a fit state for exhibition owing to a disease, savage disposition, or any other cause, the dog may be excluded or removed from the show the dog must not be brought into the Show at any time under any circumstances. No animal other than an exhibit duly entered at the show will be allowed within the precincts of the show during its continuance."
