## SECURITY AT SHOWS

In light of recent events the Kennel Club would like to issue a reminder to all societies of the importance of security at dog shows. The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring, it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows. The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors to shows generally need to be vigilant and alert. Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.

**In view of the above, should you see anything suspicious or of concern, please alert the Show Manager, Mr Eddie Houston and/or the Show Secretary, Mrs. Kathy Wilkinson immediately.** If it is a package or bag you are concerned about, please do NOT attempt to move it or examine it yourself. Should it be necessary for the hall to be evacuated, please remember that evacuation should be carried out as speedily but as safely as possible, as in the case of a fire. It is important that you do not block the exit routes with cages or bags. Please follow any instructions given to you by the Show Management regarding evacuation procedures.

## INTRODUCING OUR JUDGE

**Kevin Green (Terabyte)**

**Open Show, Low Hesket Village Hall**

**20 October 2018**

We got our first Border in 1983 as a pet and we decided to get him trained at a local match meeting which was run by Gordon and Cynthia Knight. That is when we started to learn all about the breed, we then realised with help that he was not show material.

Gordon then asked if we would like to go to an Open Show which was the Yorks. Lancs. & Cheshire B.T.C and that was the first show we attended.

After returning home from the Open Show I decided I would like to have a go at showing. Gordon knew of a young dog for sale which we could show, we bought him, he then became a Champion, Farmers Boy.

After a while I was asked to judge my first Open Show which was in 1989, a year later I was invited by the Y.L.C.B.T.C to join the committee which was in 1990, I have been on the committee ever since. I started stewarding for the Club after Mr B Lupson passed away and stewarded for many a year.

I have met so many nice people over the years, many of them have now passed away.

After years on the committee Mr Knight fell ill, I was then asked by the Officers and the Committee to stand in for him until he was well enough to return to the shows and the meetings. As time passed his illness overtook him and he sadly passed away in 2011, I was then asked to be the Chairman.

I have enjoyed my time in the dog world and hopefully will do so for many more years to come.

## **DNA TEST KITS FOR SPONGIFORM LEUCO-ENCEPHALO MYELOPATHY ("SLEM") /SHAKING PUPPY SYNDROME ("SPS")**

Please use the following link on The Animal Health Trust website to obtain test kits for the DNA Test for SLEM/Shaking Puppy Syndrome in Border Terriers:

<https://www.ahtdnatesting.co.uk/tests/shaking-puppy-syndrome/>

### **EXISTING SAMPLES PREVIOUSLY SUBMITTED TO THE AHT FOR RESEARCH PURPOSES:**

The Animal Health Trust has confirmed that, unfortunately, existing swab samples that were previously submitted for research purposes cannot be used for the DNA test for SLEM/SPS.

The AHT's DNA Testing Section has very specific sample tracking procedures, using unique barcodes generated when the test is purchased online. So this means that everyone will require to take fresh samples using the swabs which the AHT DNA Testing Section will send out when these are ordered.

### **NEW 10% DISCOUNT CODE FOR MEMBERS FOR SLEM/SPS TESTS:**

Following requests from members and Committee, we are grateful to the Animal Health Trust ("AHT"), liaising with the Border Terrier Breed Health Group, making a 10% discount available on the AHT SLEM Test to all members of the seven Border Terrier breed clubs.

The code is available to Border Terrier Club members on request from the Secretary and when this is entered at checkout online, it will give the 10% discount on the test. The usage will be monitored by AHT and the continuing availability of the discount will be reviewed in due course.

The test can be ordered on line using the following link:

<https://www.ahtdnatesting.co.uk/tests/shaking-puppy-syndrome/>

To contact the Secretary for the discount code, email [Otterkin@aol.com](mailto:Otterkin@aol.com) or send a Private Message to Kathy using her Facebook identity of Katharine Wilkinson.

15. All dogs resident outside the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.
16. **DOGS IN VEHICLES ON HOT DAYS.** Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licenced events.
  - When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
  - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
  - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
  - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.

### **KEEPING YOUR DOG UNDER CONTROL:**

The Border Terrier Club Committee have been concerned recently that a minority number of dogs have shown aggression to other dogs in the ring. Will all exhibitors note to please control your dogs, either in the ring or out of it, to ensure a pleasant experience for everyone at the show. Dogs showing aggression towards other dogs or people cannot be tolerated.

**Please see in particular, paragraph viii of the KC's SPECIMEN SCHEDULE – ANNEX B Advisory Notes – Additional Rules and Regulations, reproduced elsewhere in this schedule, which advises:** If in the opinion of the Show Secretary, Show Manager or Judge any dog is considered not in a fit state for exhibition owing to a disease, savage disposition, or any other cause, the dog may be excluded or removed from the show the dog must not be brought into the Show at any time under any circumstances. No animal other than an exhibit duly entered at the show will be allowed within the precincts of the show during its continuance.

### **JUDGING AT PARTNERSHIP SHOWS**

Partnership shows are those which are held where a host society and another club share a venue and facilities in order to allow exhibitors the opportunity to exhibit at two events during the duration of the host society's show. In most cases, the host society's event will be a general championship show held over a number of days. At partnership shows judges must not officiate at one show and enter or handle a dog for exhibition at the other show including exhibiting a different breed on another day to that which they are to judge. Partnership shows are defined as shows where the host club and other clubs share a venue and other facilities to allow exhibitors the opportunity to exhibit at each show.

## REGULATIONS FOR THE PREPARATION OF DOGS FOR EXHIBITION F (B)

3. No act or operation which alters the natural conformation of a dog or any part thereof may be performed except:-
  - a) Operations certified to the satisfaction of the General Committee.
  - b) The removal of dew claws of any breed.
  - c) Operations to prevent breeding provided that such operations are notified to the Kennel Club before neutered dogs are shown.

Nor must anything be done calculated to in the opinion of the General Committee to deceive.

4. The General Committee without previous notice may order an examination of any dog or dogs at any Show. Any examination thus ordered will be made by a person having executive authority who shall have a written directive from the Kennel Club in their possession. Samples may be taken for further examination and analysis.
5. An individual has the right to lodge an objection to a dog only if he/she is the owner or handler of a dog competing in the same breed or class. An objection may, however, be lodged by an official of the Show or by anyone so deputed by the Kennel Club. It will be the responsibility of the individual who lodges the objection or the official (as appropriate) to substantiate the grounds for the objection. The Kennel Club will substantiate the grounds for an objection made on its behalf.
6. Any objection by an individual related to an infringement of these Regulations must be made in writing to the Show Secretary at his/her office before the close of the Show and the individual must produce evidence of identity at the time of lodging the complaint.

**NOTE:** The Officers and Committee do not accept responsibility for any products advertised or sold by Stall Holders and/or Trade Stands at this Show. Exhibitors are reminded that products on sale by Trade Stands for the preparation and grooming of dogs may not meet the requirements for the Regulations for the Preparation of Dogs for Exhibition.

**Soft Crates:** The Kennel Club has asked that we draw attention to the potential health and safety implications concerning the use of soft crates as in its view, they do not offer sufficient protection to dogs. They have asked that we point out that dogs should not be left unattended in soft crates. There have been instances where dogs have escaped from soft crates which have not been securely fastened to benches, or that have been left at ringside.

We therefore ask that if you use soft crates, you do not leave dogs unattended, either in the hall, or in an open car in the car park.

### USE OF ELECTRICAL EQUIPMENT AT SHOWS

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices.

Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.
