SECURITY AT SHOWS

The Kennel Club have asked all societies to stress the importance of security at dog shows. They understand that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring, it would be extremely difficult for show organisers to take on the issue of security alone, therefore they re-iterated the advice being given by the Police and Security Services, that everyone in the UK should remain vigilant and this applies equally to those organising and taking part in dog shows. The KC also reminded us of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors to shows generally need to be vigilant and alert. Should you see anything suspicious or of concern, please alert the Show Manager, Mr Eddie Houston and/or the Show Secretary, Mrs. Kathy Wilkinson immediately. If it is a package or bag you are concerned about, please do NOT attempt to move it or examine it yourself.

Should it be necessary for the hall to be evacuated, please remember that evacuation should be as speedily but as safely carried out as possible, as in the case of a fire. It is important that you do not block the exit routes with cages or bags. Please follow any instructions given to you by the Show Management regarding evacuation procedures.

INTRODUCING OUR JUDGE

Suzanne Coldham (nee Marwood)

(Annesuz)

Open Show, Low Hesket

21 October 2017

There have always been animals in our family – cats, dogs, rabbits and my brother's mice. The latter started as a pair of pet males but their numbers grew at an alarming rate, clearly one was not! Ponies were a passion though keeping of one was out of the question. I cut my teeth on working at a riding school and it was inevitable a horse would share my life.

Dog showing started with my mother and I in the 1970s when we showed a pair of Pekingese like the novices we were. At his first show my Peke won a huge class and a silver cup under the late Hubert Arthur – needless to say the showing bug was acquired! Showing and breeding was pursued during the 80s and 90s and it was during this time I fell in love with Border Terriers. In 1994 a beautiful Brannigan granddaughter was purchased. She went on to be placed consistently at championship and open shows and she amassed many rosettes for BP and BOB and beyond. I also had the opportunity of purchasing a puppy locally who, just out of puppy, won a RCC under the late Frank Jackson. She did not fulfil her early promise and was not bred from.

My passion has always been breeding. In 1996 I mated my foundation bitch to her paternal grandfather – Ch Dykeside Gordon Ranger and produced my beautiful Ch Annesuz Fiery Lady who took her 2nd CC and Best in Show at this Club's prestigious championship show in 1999. A feat I will always remain proud of.

Personal circumstances intervened and little breeding took place although I continued to award CCs and kept up to date with judging. During a serious illness a puppy 4 generations from my first champion imposed herself – sometimes things happen in your life as they are meant to. As well as amassing multi and international champion titles she then produced my first litter in 8 years. This resulted in 3 overseas champions.

2016 has been a roller coaster of a year with the loss of my father, my Aunt and my horse who shared my life for 19 years. We purchased La Chauviere and the 'AlpacaArte' alpaca herd was born. Small world – my first females were purchased from fellow BT enthusiasts!

A huge positive in 2016 was the invite to judge the premier Club's open show in 2017. I first started judging dogs in 1980 (at a very young age I hasten to add!). My first BT judging appointment was in 1995 and I am honoured and thrilled to be given this opportunity 22 years later. I would like to thank the committee for their support and very much look forward to seeing you all in October 2017.

Advance notice regarding the 2018 awarding of the Margaret Warren Memorial Trophy, which was first awarded at the Championship show on 25 March 2017:

From 2018, this trophy will be an Annual Award, to be competed for at all three shows each year. To be awarded to a young exhibitor who has shown promise in handling in the main classes (not including the Brace or the Junior Handling classes). Details of the winner from the three shows of 2018 will be included in our 2018 Year Book issued in March 2019.

DONATIONS TO THE BREED HEALTH GROUP:

The Border Terrier Club Committee has approved a lump sum donation of £1,000 from the Club to the Breed Health Group (monies also being donated by the other six Border Terrier Clubs), to fund work into various health issues, including Shaking Puppy Syndrome and Canine Epileptoid Cramping Syndrome.

At our Committee meeting in July, we will be discussing further fund raising activities regarding the Breed Health Group. In the meantime, if you wish to make an individual donation to the Breed Health Group, you can either send the funds to them direct, or if you wish, you may include a donation with your entry for this show (please see the space on the entry form on the top right hand corner). Any donations to the Breed Health Group made with your entry will be passed on to them as soon as all the entries have been processed.

Animal Health Trust research into the breed. DNA swab kits available at this show from the Secretary

Extracts from Animal Health Trust memo re Border terrier research at the AHT – March 2017 (see Website and Facebook site for full details):

"Spongiform leukoencephalomyelopathy, otherwise known as Shaking Puppy Syndrome (SPS) and Canine Epileptoid Cramping Syndrome (CECS) are two health conditions which are evidently a concern for many within the Border terrier breeding community, and the canine genetics group at the AHT is happy to assist potential future research by supplying swab kits for sampling to build up an archive from a wide selection of clinically affected cases and unaffected controls. The Border terrier breed has also signed up to our Give a Dog a Genome project, and for this we will be sequencing a dog affected by SPS and also sharing sequence data with researchers in the US to benefit the study."

"As well as swabs taken from affected dogs, the AHT need controls comprising of the oldest unaffected dogs available (10+ years preferably)",

so you can help in this research even if your older dog is unaffected by either condition.

PLEASE SEE THE SECRETARY AT THE SHOW FOR A SWAB KIT.

Soft Crates: The Kennel Club has asked that we draw attention to the potential health and safety implications concerning the use of soft crates as in its view, they do not offer sufficient protection to dogs. They have asked that we point out that dogs should not be left unattended in soft crates.

There have been instances where dogs have escaped from soft crates which have not been securely fastened to benches, or that have been left at ringside.

We therefore ask that if you use soft crates, you do not leave dogs unattended, either in the hall, or in an open car in the car park.

14. Exhibitors must not pick up dogs by their tails and leads when lifting them. This is not acceptable. Exhibitors should note that such practice would constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11.

18. **DOGS IN VEHICLES ON HOT DAYS.** Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licenced events.
- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
 - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
 - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
 - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
 - When at the show, never leave your dog in the vehicle.
 - Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
 - Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.
- Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.
- WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**
- Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations.

22. One dog may be entered in several classes if eligible.
23. In all cases the decision of the judge will be final, except where fraud, misrepresentation or breaking the rules is discovered or bona fide mistakes are made by the judge (Vide Kennel Club Rule 22c)
24. Should the judge be prevented from fulfilling the engagement the committee reserves the right to appoint another judge to fulfil the duties. Exhibitors are at liberty to withdraw from competition but no entry fee can be returned (vide Kennel Club Rule 22c and 20.1)
25. Exhibitors making entries at this show must abide by the rules and regulations of the Kennel Club. All entries at this show are sent without condition in any shape or form. All dogs shown must be the unconditional property of the exhibitor in whose name they are entered and must be entered in such names as granted by the Kennel Club.
26. The committee will be empowered to exclude any dog which is not in a fit state for exhibition from disease, vice or other cause whatsoever and to cause its removal should such symptoms exhibit themselves during the show.
27. The committee will not be responsible for the loss or damage to a dog or dogs or any property arising neither from accidents or any cause whatsoever, nor for the loss or act of omission of themselves, their officers, servants or others and it is on this understanding that entries are accepted.
28. **All exhibitors and handlers are required to clean up any fouling by the dog(s) in their charge.**
