Mr Mark Whitehill (Martika)

Some 35+ years ago, my mum and dad (Mary & Ted Whitehill) started in the breed and as a result I grew up around the dog world and Papillons. From an early age I started showing the paps, and by the time I was a teenager I was hooked and used to show the dogs, under my mums Amicae affix, all over the UK. During the time when I was actively showing I handled a number of my mums breeding to their UK Ch titles.

I then decided it was about time I got my own affix and I went for Martika. I went on to add a UK Ch under the Amicae affix, but owned by myself, and of the few litters I bred, 1 UK Ch under the Martika affix.

Unfortunately the real world came calling and university, IT career and having 3 girls have taken top priority and my days of showing and breeding have been on hold for a number of years now.

Thankfully I passed on my handling tips to my mum and she has continued the success without me, indeed showing one of my dogs to Toy Group and RBIS at WELKS ch show.

I have continued to have a Papillons as part of the family and just now we have 2 at home who are spoiled more than me. I'm sure if the girls could get away with it there would be a few more running around the garden

Before the days of breed seminars, I was given advice on all aspects of the breed by some of the top breeders of that time. I was very fortunate in that some very knowledgeable breeders took the time to help me, be that with grooming, trimming & showing as well as understanding pedigrees, breeding lines etc. Looking back, part of my day at the shows was talking to these exhibitors about dogs, breeding programs, lines, type and all round breed knowledge.

I first started judging the breed when I was around 17 and my first Championship show appointment was East of England in 1997. I have since judged the breed at UK Championship shows on a further 8 occasions, with my last appointment being at Crufts, a truly special judging appointment.

I always find it an honour and to judge the breed and I hope you all enjoy today.

Soft Crates: The Kennel Club has asked that we draw attention to the potential health and safety implications concerning the use of soft crates as in its view, they do not offer sufficient protection to dogs. They have asked that we point out that dogs should not be left unattended in soft crates. There have been instances where dogs have escaped from soft crates which have not been securely fastened to benches, or that have been left at ringside.

We therefore ask that if you use soft crates, you do not leave the dogs unattended, either in the hall, or in an open car in the car park.

Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm. Please take care of your dog. If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused.
