• JUDGES PROFILE •

Louise Callaghan (Callyspride)

I have always loved all animals, particularly dogs but was never allowed to own one due to my parent's working patterns. My first dog was an elderly crossbreed, Sindy, who came to join our family following the sad death of her owner. I was overwhelmed when my parents told me she was joining our family, and we instantly became inseparable and made some lovely childhood memories together.

Cavaliers came into my life after I set up home with my partner, Lee. A blenheim called Poppy joined our family and we were both smitten with the breed, she was an absolutely joy. We were put in contact with Marilyn and the late Glynn Angell (Charwelton) when we were looking to add another Cavalier to our family. Marilyn and Glynn took us under their wing and bred us our first show girl, Angel, Charwelton Angelic Star at Callyspride ShCM, and that started the show bug.

This wonderful breed has led us to travel many miles, attend many shows and make so many wonderful memories over the years, the most memorable being our beloved Thelma, Tillashby Northern Star at Callyspride JW ShCM VW, winning BPIB at Crufts in 2013 and then BVIB at Crufts in 2022. I feel honoured and am looking forward to judge the CKCS Club 2023 open show which combines not only my love for Cavaliers but also Christmas. Being a Yorkshire Lass, there will be some Yorkshire judges gifts for the main winners at the show.

A puppy is a dog of six and not exceeding twelve calendar months of age on the first day of the Show. Where the Best in Show is a puppy it should automatically be awarded Best Puppy in Show respectively.   16. **Dogs in Vehicles on Hot Days.** Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.
    - When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
    - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
    - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
    - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
    - When at the show, never leave your dog in the vehicle.
    - Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
    - Avoid your dog taking part in unnecessary exertion or from standing in exposed sunlight for extended lengths of time.
- Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare. **WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**
17. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.
  18. Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered - Entries for Cavaliers only will be accepted - over 4 calendar months of age.
  19. No modifications will be made to this Schedule except by permission of the Board of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.
  20. EXHIBITORS' PASSES WILL NOT BE SENT but will be available at the entrance.
  21. The owner, exhibitor, handler or other person in charge of a dog at Kennel Club licensed events must at all times ensure that the dog is kept under proper control whilst at the licensed venue, including its environs, car and caravan parks and approaches. This Regulation applies before (at any time during the set up period at the venue), during the event and afterwards (at any time during the breakdown of the event).
  22. **EXERCISE AREA:** An exercise area will be provided. Any owner, competitor, handler or other person in charge of a dog is required to remove as soon as possible any fouling caused by their dog(s) at any Kennel Club licensed show within the licensed venue and within the environs of that event including car and caravan parks and approaches.
  23. **TRADE STANDS:** The Committee can accept no responsibility for products advertised or sold by stand holders at the Show and wish to remind exhibitors that grooming products on sale may not meet the requirements of the Regulations for the preparation of Dogs for Exhibition.

## IMPORTANT NOTICES

In the rare instances where it might be required, it should be Portable Appliance Tested (PAT) and permission sought from the Secretary of the Show before it is used.**

An exercise area will be provided at the Show. Exhibitors/handlers are required to clear up any fouling by the dog(s) in their charge.
