Please enter the class age category you will be on the day of the qualifier. If you should move into the next age range after you have already qualified, the YKC will invite you into the correct age group at Crufts. The method for Crufts qualification is a points based system as follows: 1st Place = 30 points; 2nd Place = 15 points; 3rd Place = 10 points. Members will receive points per group (i.e. if they handle a Bloodhound, they will get points towards the Hound group). If a member gets 30 points in any one group, they will qualify to enter a dog from that group at Crufts 2020. If a member gains 30 or more points in multiple groups, they may only compete with one dog at Crufts, but they will have the option to choose from any of the groups they have 30 or more points in. All points are reset to 0 on 1st January each year. In order to enter any YKC competition, you must be a fully paid up member at the time of entry and competition. If you enter a Crufts qualifier and you have not previously paid your membership fee then any award will be forfeited. Before competing, please view a full list of the YKC competition rules at: www.ykc.org.uk/ and follow the compete tab.

Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations. Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licenced events.
When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
 - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
 - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
 - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
 - When at the show, never leave your dog in the vehicle.
 - Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.

- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.
Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.

17. Not for competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.

SECURITY AT SHOWS

In light of recent events the Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows.

The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organizers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organizing and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organizers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

Should you see anything suspicious or of concern, please alert the Show Secretary, Show Manager immediately. If it is a package or bag you are concerned about, please do NOT attempt to move it or examine it yourself.

Should it be necessary for the hall to be evacuated, please remember that evacuation should be carried out as speedily but as safely as possible, as in the case of a fire. It is important that you do not block the exit routes with cages or bags and follow any instructions given to you by the Show Management regarding evacuation procedures.
