ABOUT YOUR JUDGE:- Miss Nicola Sharpe

I acquired my first Puli in 2000 and have been hooked with the breed ever since. I was extremely fortunate to have owned two Pulis' to date and have successfully campaigned them both to their UK titles.

Having started my judging career with the Special Classes at The Hungarian Puli Club Championship Show at Darlington in 2018, I was delighted to hear that I had been chosen by its members' and invited by the Club to judge their AM Open Show.

I wish to thank everyone for allowing me this opportunity and I am excited and very much looking for to it.

Nicki Sharpe

SECURITY AT SHOWS

In light of recent events the Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows.

The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organizers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organizing and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organizers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

Should you see anything suspicious or of concern, please alert the Show Secretary, or any of the Centre Staff immediately. If it is a package or bag you are concerned about, please do NOT attempt to move it or examine it yourself.

Should it be necessary for the hall to be evacuated, please remember that evacuation should be carried out as speedily but as safely as possible, as in the case of a fire. It is important that you do not block the exit routes with cages or bags and follow any instructions given to you by the Show Management regarding evacuation procedures.
