### **SECURITY AT SHOWS**

In light of recent events the Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows.

The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organizers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organizing and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organizers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

**Should you see anything suspicious or of concern**, please alert the Show Secretary, or any of the Centre Staff immediately. If it is a package or bag you are concerned about, please do NOT attempt to move it or examine it yourself.

**Should it be necessary for the hall to be evacuated**, please remember that evacuation should be carried out as speedily but as safely as possible, as in the case of a fire. It is important that you do not block the exit routes with cages or bags and follow any instructions given to you by the Show Management regarding evacuation procedures.

### **PRIVACY & DATA PROTECTION**

Data Protection – Your privacy is important and personal data is held in accordance with our Privacy Notice which is available upon request from the Secretary.

The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.  
Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.  
When at the show, never leave your dog in the vehicle.

Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.  
Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.
