DEFINITION OF CLASSES

In the following definitions a C.C. includes any Show award that counts towards the title of Champion under the rule of any governing body recognised by the Kennel Club.

Wins at Championship Shows in Breed classes where Challenge Certificates are not on offer shall be counted as wins at Open Shows.

In the case of a dog owned in partnership and entered in Members classes or competing for Members specials each partner must, at the time of entry, be a member of this Club.

In estimating the number of awards won, all wins up to the first closing date shall be counted when entering for any class i.e.: 22.1.2024. Wins in variety classes do not count for entry in breed classes but when entering variety classes, wins in both breed and variety classes must be counted. First prizes awarded in any classes defined as Special do not count towards eligibility.

If an exhibitor reports before the judging of a class or classes that a dog has been entered which is ineligible, the exhibitor may choose one of the following options:

(c) For any other reason than the above, the Show Secretary shall transfer the exhibit to the Open class for the correct colour, sex, weight or height. SECURITY AT SHOW

In light of recent events the Kennel Club would like to issue a reminder to all societies of the importance of security at dog shows. The Kennel Club have asked all societies to stress the importance of security at dog shows. They understand that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring, it would be extremely difficult for show organisers to take on the issue of security alone, therefore they re-iterated the advice being given by the Police and Security Services, that everyone in the UK should remain vigilant and this applies equally to those organising and taking part in dog shows. The KC also reminded us of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors to shows generally need to be vigilant and alert. Should you see anything suspicious or of concern, please alert the Show Manager, and/or the Show Secretary, immediately. If it is a package or bag you are concerned about, please do NOT attempt to move it or examine it yourself. Should it be necessary for the hall to be evacuated, please remember that evacuation should be as speedily but as safely carried out as possible, as in the case of a fire. It is important that you do not block the exit routes with cages or bags. Please follow any instructions given to you by the Show Management regarding evacuation procedures.

USE OF ELECTRICAL EQUIPMENT AT SHOWS

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and also other grooming devices. Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary or show manager before it is used. The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas or avenue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.
