### **SECURITY AT SHOWS**

In light of recent events the Kennel Club would like to issue a reminder to all societies of the importance of security at dog shows. The Kennel Club understand that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring, it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would re-iterated the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors to shows generally need to be vigilant and alert. Furthermore the society provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and the evacuation procedures in place.

In view of the above, should you see anything suspicious or of concern, please alert the Show Manager, and/or the Show Secretary immediately. If it is a package or bag you are concerned about, please do NOT attempt to move it or examine it yourself.

Should it be necessary for the hall to be evacuated, please remember that evacuation should be carried out as speedily but as safely carried out as possible, as in the case of a fire. It is important that you do not block the exit routes with cages or bags. Please follow any instructions given to you by the Show Management regarding evacuation procedures.

### **PRIVACY & DATA PROTECTION**

Data Protection – Your privacy is important and personal data is held in accordance with our Privacy Notice which is available upon request from the Secretary

### **CRATE/CAGE IDENTIFICATION**

The General Committee of the Kennel Club has approved a recommendation which requires exhibitors to display the exhibit number on their crate, cage or container at all times.

Each exhibitor is responsible for providing their own crate or cage identification and should note that the original exhibit number card as provided by the show society, must not be used for this purpose. It is important to be able to contact exhibitors and identify dogs where a dog may be in distress or where the crate might be blocking a gangway.

A Puppy is a dog of six and not exceeding twelve calendar months of age on the first day of the Show. Where the Best in Show is a puppy it should automatically be awarded Best Puppy in Show. Where the Reserve Best in Show is a puppy which has only been beaten by an adult dog it should also automatically be Best Puppy in Show. Consequently, selection of Best Puppy in Show must follow the selection of Best in Show.

15. All dogs resident outside the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.
16. **DOGS IN VEHICLES ON HOT DAYS.** Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licenced events.  
When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.  
If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.  
The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.  
Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.  
When at the show, never leave your dog in the vehicle.  
Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.  
Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.  
Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.  
**WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**
17. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.
