(The word DOG includes both sexes)

In the following definitions, a Challenge Certificate includes any Show award that counts towards the title of Champion under the Rules of any governing body recognised by the Kennel Club.

Wins at Championship Shows in breed classes where Challenge Certificates are not on offer shall be counted as wins at Open Shows.

In the case of a dog owned in partnership and entered in Members' classes or competing for Members' Specials each partner must at the time of entry be a member of the Society.

In estimating the number of awards won, all wins up to and including the seventh day before the date of closing of postal entries shall be counted when entering for any class i.e.: **10th November, 2018.**

Wins in Variety classes do not count for entry in Breed classes but when entering for Variety classes, wins in both Breed and Variety classes must be counted. A first prize does not include a Special Prize of whatever value.

If an exhibitor reports before the judging of a class or classes that a dog has been entered which is ineligible, the exhibitor may choose one of the following options:-

- (1) **WITHDRAWAL:** The dog may be withdrawn from competition subject to the conditions of Regulations 9(j) and 20.
- (2) **TRANSFER:** a) If a dog is ineligible for a class or classes as regards its breed, colour, sex, weight or height the Show Secretary shall transfer it to the equivalent class or classes for the correct breed, colour, sex, weight or height and, in the event of there being no equivalent class, Minor Puppy and Puppy excepted to the Open class for the correct breed, colour, sex, weight or height.
b) If an exhibit is entered incorrectly in a Minor Puppy Class, Puppy Class or Junior Class, which is over age but under 12 calendar months of age, 18 calendar months of age or 24 calendar months of age respectively the show secretary shall transfer the exhibit to the Puppy Class, Junior Class, or Yearling Class respectively for the correct breed, colour, sex, weight or height and in the event of there being no Puppy, Junior or Yearling Class to the Open Class for the correct breed, colour, sex, weight or height.
c) For any reason other than the above, the Show Secretary shall transfer it to the Open class for the correct breed, colour, sex, weight or height.
d) If an exhibit arrives late and misses a class, even if it is the only class in which the dog is entered, the dog may not be transferred to any other class.

Where the Reserve Best of Breed, Reserve Best of Group or Reserve Best in Show is a Puppy which has only been beaten by an adult dog it should also automatically be Best Puppy in Breed, Best Puppy in Group or Best Puppy in Show respectively. Consequently selection of Best Puppy in Breed, Best Puppy in Group & Best Puppy in Show must follow the selection of Best of Breed, Best in Group & Best in Show respectively.
Best Puppy in Group and subsequent Group placings must be selected from:-
 - a) Those puppies declared Best Puppy in Breed.
 - b) The puppy declared Best Puppy from the Any Variety Not Separately Classified classes in each group or on each day.
 - c) The puppy declared Best Puppy from the Any Variety Imported Breed Register classes in each group or on each day.
11. **BEST IN SHOW:** The dog declared Best in Show is a dog which has competed and has been declared Best on Breed, Best Any Variety Not Separately Classified or Best Any Variety Imported Breed Register.
 - a) Shows Judged on the Group System (Definition; Shows judged on the Group System included classes for breeds within more than one Group, as defined in the Kennel Club Regulations B (A); and require a judge to declare a best of each group after which the exhibits so declared will compete for the award of Best in Show and Reserve Best in Show).
 1. Best of Breed: Where a breed is separately classified a Best of Breed must be declared but only from those exhibits which have received a first prize in a breed class at the show. Where separate classes are provided for each sex of a breed a Best of each Sex must be declared.
 2. Best of Group and subsequent placings must be selected from:-
 - a) The Best of Breed winners in each Group.
 - b) The best unbeaten winning dog from the Any Variety not Separately Classified classes in each Group or on each day.
 - c) The Best dog from Any Variety Imported Breed Register classes in each Group or on each day.
 - 3) Best in Show: Best in Show must be selected from the Best of Group winners. Reserve Best in Show must be selected from the remaining Group winners following the selection for Best in Show.
- 11a. Best Veteran in Show will be Judged from the winners of AV Veteran Dog and AV Veteran Bitch classes 230 and 231.
12. Exhibits will not be admitted to Best in Show competition after a period of ten minutes has elapsed since the announcement that exhibits are required for judging, unless they have been unavoidably been delayed by previous judging not being completed on time, and then only with the special permission of the Show Management.
13. Exhibitors must not pick up dogs by their tails and leads when lifting them nor handle a dog in a manner which causes its feet not touch the ground when on the move. This is not acceptable. Exhibitors should note that such practice would constitute harsh handling and reports of such practices will be referred to the Committee under Kennel Club Show Regulation F11.
14. All exhibitors must be familiar with Kennel Club Regulation F (Annex B) Regulations for the Preparation of Dogs for Exhibition.
15. All dogs resident outside the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.
16. **DOGS IN VEHICLES ON HOT DAYS.** Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licenced events.
 - When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
 - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
 - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
 - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.

- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.

17. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under Kennel Club Rules and Regulations.
18. Not for Competition: Entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered. Puppies from 4-6 months old may be entered **NOT FOR COMPETITION** at this show.
19. No modifications will be made to the schedule except by permission of the Board of the Kennel Club, which will be followed by advertisement in the Canine press wherever possible.
20. The committee of this show cannot be held responsible for products advertised or sold by stall holders at the show, and remind exhibitors that products may not meet the requirements of the regulations for the preparation of dogs for exhibition.
21. An exercise area will be provided at the show and exhibitors/handlers are responsible for cleaning up and removing any loose hair or fouling from dogs in their charge or any other litter whether from the car park, the exercise area or from any part of the venue. Special bins will be provided.
22. Parents/Guardians please note well behaved children are welcome but those in charge of children will be held responsible for their actions and any damage caused within the environs of the show.
23. Remedial action will be taken if dogs which are left in cars are found to be in a distressed condition.
24. Owners, handlers, exhibitors or any other person in charge of a dog at a Kennel Club licensed venue must ensure at all times that the dog is kept under proper control whilst at the licensed venue including its environs, car parks and approaches.
25. The use of mobile phones in the vicinity of the judging rings is prohibited.
26. **DISHONoured CHEQUES:** Exhibitors are advised that a charge of £10.00 on top of show entries will be levied for incorrectly completed or dishonoured cheques and any exhibitors failing to pay Entry Fees/and or charges so incurred will be referred to the Kennel Club.
27. **RAMPS** will be provided for the judging of Bulldogs and Chow Chows. It is optional for the exhibitor to use the ramp in the ring and an exhibitor will not be penalized for not using the ramp.

SECURITY AT SHOWS

In light of recent events the Kennel Club would like to issue a reminder to all societies of the importance of security at dog shows. The Kennel Club understand that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring, it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would re-iterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors to shows generally need to be vigilant and alert. Furthermore the society provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and the evacuation procedures in place.

In view of the above, should you see anything suspicious or of concern, please alert the Show Manager, and/or the Show Secretary immediately. If it is a package or bag you are concerned about, please do NOT attempt to move it or examine it yourself.

Should it be necessary for the hall to be evacuated, please remember that evacuation should be carried out as speedily but as safely carried out as possible, as in the case of a fire. It is important that you do not block the exit routes with cages or bags. Please follow any instructions given to you by the Show Management regarding evacuation procedures.
