8. Puppies under six calendar months of age on the first day of the show are not eligible for exhibition.
9. The mating of bitches within the precincts of the show is forbidden.
10. **BEST PUPPY IN SHOW:** Where a Best Puppy in Show competition is scheduled the Best Puppy in Show is a puppy which has competed and received a first prize in a class at the same show. A puppy is a dog of six and not exceeding twelve calendar months of age on the first day of the Show. Where the Best in Show is a puppy it should automatically be awarded Best Puppy in Show. Where the Reserve Best in Show is a puppy which has only been beaten by an adult dog it should also automatically be Best Puppy in Show. Consequently, selection of Best Puppy in Show must follow the selection of Best in Show.
11. **BEST IN SHOW** Best in Show must be selected from the exhibits declared Best of Sex, but only if they have received a first prize in a class at the same show. If a Reserve Best in Show is to be selected, the eligible dogs are those declared Best Opposite Sex and Reserve Best of Sex to the exhibits declared Best in Show.
12. Exhibits will not be admitted to Best in Show competition after a period of ten minutes has elapsed since the announcement that exhibits are required for judging, unless they have been unavoidably delayed by previous judging not being completed on time, and then only with permission of the Show Management.
13. Exhibitors must not pick up dogs by their tails and leads when lifting them nor handle a dog in a manner which causes its feet not to touch the ground when on the move. This is not acceptable. Exhibitors should note that such practices could constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11.
14. All exhibitors must be familiar with Kennel Club Regulation F (Annex B) - Regulations for the Preparation of Dogs for Exhibition.
15. All dogs resident outside the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.
16. **DOGS IN VEHICLES ON HOT DAYS.** Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for action under Kennel Club Rules and Regulations. Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licenced events.  
When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.  
If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.  
The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.  
Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.  
When at the show, never leave your dog in the vehicle.  
Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.  
Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.  
Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.  
**WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**
17. Not for competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.
18. No modifications will be made to the schedule except by permission of the General Committee of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.
19. Any owner exhibitor handler or person in charge of a dog is required to remove, as soon as possible, any fouling caused by their dog(s) at any Kennel Club licensed show within the licensed venue and within the environs of that event, including car and caravan parks and approaches.
20. The Committee will not, in any way, be responsible for any claim for injury or compensation or loss of property occasioned by or arising out of the holding of the show or by reason of act or default of any person in attendance or present thereat.

**REGULATIONS FOR THE PREPARATION OF DOGS  
FOR EXHIBITION F (B)**

Any examination thus ordered will be made by a person having executive authority who shall have a written directive from the Kennel Club in their possession. Samples may be taken for further examination and analysis.
5. An individual has the right to lodge an objection to a dog only if he/she is the owner or handler of a dog competing in the same breed or class. An objection may, however, be lodged by an official of the Show or by anyone so deputed by the Kennel Club. It will be the responsibility of the individual who lodges the objection or the official (as appropriate) to substantiate the grounds for the objection. The Kennel Club will substantiate the grounds for an objection made on its behalf.
