23. another judge or judges in their place. Exhibitors may withdraw from competition, but no entry fees can be returned. The Committee will be most anxious for the care and safety of all dogs entered for exhibition and for any property entrusted to it, but it must be clearly understood by exhibitors and other persons that the committee will not be responsible for the entire or partial loss or detention of or damage to any dog or person from any cause whatsoever, nor for any act or omission of themselves, their officers, servants, agents or others, and it is on this understanding only that entries are received.
24. The Committee of the show can accept no responsibility for products advertised or sold by stand holders at the show and wish to remind exhibitors that grooming products on sale may not meet the requirements of the regulations of the preparation of dogs for exhibition. (K.C.S.R.(F)).
25. The Committee is empowered to exclude or remove any dog which is not in a fit state for exhibition either from disease, vice or any other cause and if such exclusion take place either before or after judging, the fee will be forfeited.
26. Any owner, competitor, handler, or other person in charge of a dog at a Kennel Club licensed event it required to remove as soon as possible any loose hair or fouling from dogs in their charge, or any other litter whether from the car park, the exercise area or from any other part of the licensed venue.
27. Owners, handlers, exhibitors or any other person in charge of a dog at a Kennel Club licensed event must ensure that all times that the dog is kept under proper control whilst at licensed venue including its environs, car parks and approaches.
28. A dog may be disqualified by the General Committee from any award whether an objection has been lodged or not, if proven amongst other things to have been registered or recorded as having been bred by the scheduled judge. This shall not apply to a judge appointed in an emergency.
29. Every exhibitor shall ensure that whilst the dog is being exhibited, its handler shall display the correct ring number.
30. Soft crates: The Kennel Club has drawn attention to the potential health and safety implications concerning the use of soft crates at shows as, in its view, they do not offer sufficient protection to dogs. Soft crates left unattended at the ring side are a potential hazard particularly when occupied by large breeds, and it has been known for dogs to become distressed and move soft crates along the floor and also escape. Soft crates should only be used when there is sufficient room available and when they can be safely secured.
31. Each exhibitor is responsible for providing there own crate or cage identification detailing, as a minimum, that exhibit number, this should be displayed at all times. The original exhibit number as provided by the show society **must not** be used for this purpose.

## **SECURITY AT SHOWS**

In light of recent events the Kennel Club would like to issue a reminder to all societies of the importance of security at dog shows. The Kennel Club understand that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring, it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would re-iterated the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors to shows generally need to be vigilant and alert. Furthermore the society provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and the evacuation procedures in place.

In view of the above, should you see anything suspicious or of concern, please alert the Show Manager, and/or the Show Secretary immediately. If it is a package or bag you are concerned about, please do NOT attempt to move it or examine it yourself.

Should it be necessary for the hall to be evacuated, please remember that evacuation should be carried out as speedily but as safely carried out as possible, as in the case of a fire. It is important that you do not block the exit routes with cages or bags. Please follow any instructions given to you by the Show Management regarding evacuation procedures.

When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.  
If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.  
The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.  
Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.  
When at the show, never leave your dog in the vehicle.  
Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.  
Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.  
Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.  
**WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**
