Advisory Notes—Additional Rules and Regulations.

1. Should any judge be prevented from fulfilling their engagement, the Committee reserves to themselves the right of appointing other judges to fulfil their duties. Exhibitors are a liberty to withdraw from competition but no entry fees can be refunded.
2. Any owner, competitor or other person in charge of a dog is required to remove as soon as possible any fouling caused by their dog(s) at any Kennel Club Licensed Show within the Licensed venue and within the environs of that event including car and caravan parks and approaches. Adequate number of receptacles for the disposal of such fouling will be provided.
3. The Committee will do its utmost to ensure the safety of the dogs brought for the exhibition but it must be clearly understood by exhibitors and all other persons at the Show that the Committee will not be responsible for the loss or damage to any dogs or property, or personal injury whether arising from accident or any other cause whatsoever.
4. An announcement prior to the date of closing of entries in Our Dogs of any alteration or addition made by the Committee to the schedule or in these Rules shall be sufficient notice thereof.
5. All children must be kept under control and parents will be held responsible for any damage caused and charges incurred.
6. Please do not obstruct gangways with cages, pens, grooming tables, trolleys and dogs. Storage space will be made available for trolleys/cages.
7. If in the opinion of the Show Secretary, Show Manager or Judge any dog is considered not in a fit state for exhibition owing to disease, savage disposition, or any other cause, the dog may be excluded or removed from the show the dog must not be brought into the Show at any time under any circumstances. No animal other than an exhibit duly entered at the show will be allowed within the precincts of the show during its continuance.
8. The owner, exhibitor, handler or other person in charge of a dog at a Kennel Club licensed event must at all times ensure that the dog is kept under proper control whilst at the licensed venue, including its environs, car and caravan parks and approaches. This regulation applies before (at any time during the set up period at the venue), during the event and afterwards (at any time during the breakdown of the event).
9. A dog may be disqualified by the Board from any award, whether an objection had been lodged or not, if proved amongst other things to have been a) registered or recorded as having bred by the scheduled judge, this shall not apply to a judge appointed in an emergency; b) exhibited without payment of the appropriate entry fees.
10. Every exhibitor shall ensure that whilst the dog is being exhibited, its handler shall display the correct ring number.

Use of Electrical Equipment at Shows

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices. Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

SECURITY AT SHOWS

In light of recent events the Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows.

The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organizers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organizing and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organizers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

Should you see anything suspicious or of concern, please alert the Show Secretary, or any of the Committee immediately. If it is a package or bag you are concerned about, please do NOT attempt to move it or examine it yourself.

Should it be necessary for the hall to be evacuated, please remember that evacuation should be carried out as speedily but as safely as possible, as in the case of a fire. It is important that you do not block the exit routes with cages or bags and follow any instructions given to you by the Show Management regarding evacuation procedures.

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.
When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
When at the show, never leave your dog in the vehicle.
Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time. Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

INTRODUCTION TO OUR JUDGES

DAVE KILLILEA (Redwitch)

I have been involved in showing and breeding dogs for over 40 years , my main breed being Akitas in which we were Top Breeders for over 20 years showing under the Redwitch affix. My biggest achievement was winning Res. BIS at Crufts 1999.

I currently award CC's in 16 breeds across the Working, Utility and Pastoral Groups and am passed to judge the Working and Utility Groups and also BIS. I have judged widely across Europe and Scandinavia and also in the USA. I am very much looking forward to judging your breed at the Northern Samoyed Society Championship Show.

LYNDSEY JONES (Llwyni)

After growing up with pet Shetland sheepdogs, at the age of 13 I got my first own dog, a Japanese Spitz. At the time, the breed was a rather unknown breed, and we travelled 8 hours each way to pick up the only female puppy available at the time, now, the apple of my eye! We never planned on showing, or in fact breeding, but we were persuaded to try showing by a local dog trainer who showed her own poodles. Fast forward 10 years, I have now currently bred 4 Champions, from just 6 Llwyni puppies that are show dogs, and all Llwyni dogs which are currently shown have gained their stud book numbers.

I am due to award my first set of CC's in my beloved breed in July this year at Boston, and have recently started judging and gaining knowledge of many other breeds which I am interested in. I have been a hugely successful junior handler, being named top junior handler in Wales in 2018, as well as many other wins. I have also handled many other dogs and breeds across all the seven groups, many to great success, and more recently have handled a Pyrenean Mountain Dog to his first four CC's. Working in canine rehabilitation as a profession for over seven years, I am always looking for dogs which are truly 'Fit for Function'.

I am extremely looking forward to judging the special classes at the NSS Champ show, and would like to send a massive thank you to the committee for the honour of this opportunity.
