16. **DOGS IN VEHICLES ON HOT DAYS.** Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licenced events.
When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
 - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
 - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
 - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
 - When at the show, never leave your dog in the vehicle.
 - Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
 - Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.
 Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.

17. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.
18. Not for competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.
19. No modifications will be made to the schedule except by permission of the Board of the Kennel Club, which will be followed by advertisement in the Canine press wherever possible.
20. The show will be held under kennel club rules and regulations. All dogs must be registered with the Kennel Club, and where a change of ownership has taken place, the transfer must be made previously to the show.
21. Exhibitors passes will not be sent out, but each exhibitor will be allowed free admission to the show. If receipt of entry is required, please enclose a stamped self addressed envelope with your entry.
22. In all cases the decision of the judge is final, except where fraud, misrepresentation or breach of the rules is discovered or a bona-fide mistake is made by the judge.
23. Should a judge be prevented from fulfilling his/her engagement, the committee reserves the right to themselves to appoint another in his/her place. Exhibitors are at liberty to withdraw their dogs from competition, but no entry fee will be refunded.
24. The committee reserve to themselves the right on responsible grounds, to refuse any entries that they may think fit, to exclude any dog not in a fit state for exhibition from disease, savage disposition, vice or anyhow. If other causes (vide Rule 15)
25. Any objection to a dog must be made under Kennel Club Rule 28.
26. No animal other than a dog entering at this show will be allowed within the precincts of the show during its continuation.
27. All persons making an entry or entries at this show shall be deemed to have agreed to abide by Kennel Club rules and regulations and by the show regulations of the committee. It is on this understanding only that entries are received.
28. The attracting of exhibits by any means from outside the ring is prohibited. It is the duty of the judge, steward, or show management, noticing such attractions to ask it to cease.
29. Any instructions in the nature of the rules and regulations printed for convenience in other parts of this schedule shall by receipt of entry be deemed to be the show regulations of the committee and shall have the same effect as if they had formed a part of these regulations.
30. Any owner, exhibitor, handler or other persons in charge of a dog is required to remove immediately any fouling caused by their dog(s) and/or any grooming waste at any Kennel Club licensed show within the licensed venue and within the environs of that event including car and caravan parks and approaches adequate receptacles for the disposal of such fouling and waste will be provided.

SECURITY AT SHOWS

In light of recent events the Kennel Club would like to issue a reminder to all societies of the importance of security at dog shows. The Kennel Club understand that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring, it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would re-iterated the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors to shows generally need to be vigilant and alert. Furthermore the society provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and the evacuation procedures in place.

In view of the above, should you see anything suspicious or of concern, please alert the Show Manager, and/or the Show Secretary immediately. If it is a package or bag you are concerned about, please do NOT attempt to move it or examine it yourself.

Should it be necessary for the hall to be evacuated, please remember that evacuation should be carried out as speedily but as safely as possible, as in the case of a fire. It is important that you do not block the exit routes with cages or bags. Please follow any instructions given to you by the Show Management regarding evacuation procedures.
