

## ~ IMPORTANT NOTICES ~

**FOULING - FOULING MUST BE CLEANED UP ANYWHERE IN THE VENUE, INCLUDING THE CAR PARK AND GRASS AREA.**

**EXERCISE AREA:** An exercise area is provided and it is the responsibility of the Exhibitors/Handlers to clean up any fouling caused by dogs in their charge. Equipment is provided for the purpose and your cooperation would be appreciated.

### DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm. Please take care of your dog. If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused.

**CHILDREN:** The Committee reminds exhibitors bringing children to the show that they will be held responsible for their behaviour at all times and for any damage to property or equipment within the environs of the Showground caused by their children or children in their care.

**PUPPIES:** Puppies under 6 months of age on the day of the show may not be entered for competition. However, dogs over 4 months of age on the day of the show from any KC registered dog may be entered "NOT FOR COMPETITION".

### PLEASE NOTE:

It is the exhibitor's responsibility to be at their class for judging.

**SOFT CRATES:** The Kennel Club has drawn attention to the health & safety implications concerning the use of soft crates at shows as in its view, they do not offer sufficient protection to dogs. Soft crates left unattended are a potential hazard, and it has been known for dogs to become distressed & move soft crates along the floor & also escape. They should only be used when there is sufficient room available and when they can be safely secured.

# PHOTOGRAPHY & VIDEO RIGHTS

The Organisers would like to bring the regulation on photography, filming & live streaming to the attention of exhibitors, trade stands, press and visitors. It is a condition of all those attending the event that no filming or other form or recording may be taken or made at the venue without the express written permission of the organisers. The taking of photographs in the venue for sale or reward is strictly prohibited except with the written permission of the Organisers. Press accredited photographers are provided with permission to take photographs ONLY for the use in newspapers, magazines and internet sites—this is for news purposes only. There is no objection to the general public taking photographs or video film of general views of the show, provided these are for private use only. Specific dogs may be photographed only with the approval of the exhibitor.

No photography, filming or live streaming is permitted in breed judging rings whilst judging is actually taking place. However, judges may allow it to happen at the end of the classes. Filming and flash photography is allowed from outside the rings at all times unless the operation of the camera is actually affecting the exhibits. However, if a powerful flash unit is used or it is clear that exhibitors are being affected a ring steward or judge is empowered to stop the person concerned. Cinematography or television equipment may only be used at the show if a permit has been issued by the Organisers.

## Health and Safety:

A nominated Safety Officer will be in attendance throughout the show. Exhibitors and spectators are reminded that just as **The Soft Coated Wheaten Terrier Club of GB** has a responsibility to ensure the health and safety of all those attending their event, all those present have a duty and responsibility for their own safety. They are therefore expected to take the greatest care to avoid guy ropes, uneven surfaces and other hazards which are inevitable and integral elements of a dog show. Those bringing and using portable items of equipment such as folding chairs, trolleys, cages and grooming tables also have a responsibility to ensure that their tools, equipment and furniture is used and erected safely and does not constitute a hazard to others. Exhibitors are also reminded that they should wear appropriate clothing and footwear for the prevailing conditions on the site. Exhibitors show at their own risk and if they consider conditions are not ideal or are unsafe they may withdraw their dog/s from classes.

## SPOT LIGHT ON THE JUDGE - BEV HANNA (Kinaelan)

My journey into the Wheaten world began 26 years ago when researching for a family pet. I guess the showing & eventual move into judging was an inevitable progression having a competitive horse world background.

The world of Wheatens, both breeding, showing & judging, has taken me on many eventful journeys across the U.K., Ireland, Europe & beyond. I am proud to have bred/owned a number of UK & Irish Champions, Champions in Sweden, Denmark, Norway, Belgium, Bermuda & the US, along with Crufts BOB twice, BOS twice, European & World Winner titles & the first UK bred/owned Wheaten to achieve the FCI International title (CIB) who is also on record the most titled UK Wheaten to date. I have awarded CC's in the breed since 2014 & also judged at an International show in Ireland.

It is both a delight & a supreme honour to be voted by the breed club membership to officiate at the Soft Coated Wheaten Terrier Club of GB Championship Show 2020. I very much look forward to judging your dogs. Wishing you all a very happy & enjoyable day.

Bev Hanna

## PRIVACY & DATA PROTECTION

Data Protection – Your privacy is important and personal data is held in accordance with our Privacy Notice which is available upon request from the Secretary.

## **!! Use of Electrical Equipment at Shows !!**

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices. Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

## **SECURITY AT SHOWS**

In light of recent events the Kennel Club would like to issue a reminder to all societies of the importance of security at dog shows. The Kennel Club understand that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring, it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would re-iterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors to shows generally need to be vigilant and alert. Furthermore the society provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and the evacuation procedures in place.

In view of the above, should you see anything suspicious or of concern, please alert the Show Manager, and/or the Show Secretary immediately. If it is a package or bag you are concerned about, please do NOT attempt to move it or examine it yourself.

Should it be necessary for the hall to be evacuated, please remember that evacuation should be carried out as speedily but as safely as possible, as in the case of a fire. It is important that you do not block the exit routes with cages or bags. Please follow any instructions given to you by the Show Management regarding evacuation procedures.

## **COVID-19 SAFE GUIDELINES (If still needed in September)**

The Society will ensure to the best of its ability that the event is run to Covid Safe guidelines. It is your responsibility to ensure you comply with national and local restrictions including advice given about non-essential travel in and out of locally affected regions (which must not be ignored) – in the interests of the safety of all participants this may give rise to a short notice refusal of entry at the society's discretion. The Kennel Club will respect the society's exercise of its discretion.

If a competitor, or anyone in their household, has Covid-19 related symptoms or has tested positive for Covid-19 they must isolate in line with Government advice - [www.nhs.uk/conditions/coronavirus-covid-19/self-isolation-and-treatment/when-to-self-isolate-and-what-to-do/](https://www.nhs.uk/conditions/coronavirus-covid-19/self-isolation-and-treatment/when-to-self-isolate-and-what-to-do/)

**The competitor must NOT attend the event**

15. All dogs resident outside the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.
16. **DOGS IN VEHICLES ON HOT DAYS.** Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for action under Kennel Club Rules and Regulations. Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licenced events. When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams. If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all. The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink. Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog. When at the show, never leave your dog in the vehicle. Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated. Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time. Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.  
**WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**
17. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Kennel club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.
18. Not for competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.
19. No modifications will be made to this schedule except by permission of the Board of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.

20. Dog Fouling and Grooming: Any owner exhibitor handler or person in charge of a dog is required to remove, as soon as possible, any fouling caused by their dog(s) at any Kennel Club licensed show within the licensed venue and within the environs of that event, including car parks and approaches. Any organization holding a Kennel Club Licensed event is required to provide an adequate number of receptacles for the disposal of such fouling.
21. Exhibitors passes will not be sent out. Please send a SAE. If you wish for acknowledgement of entries.
22. Responsibility. The Committee will not be responsible for the loss, detention of, or damage to any dog or other property whether arising from accident, or other cause whatever, or from any act of omission of itself, its officers, agents, servants or other, or damage done by the exhibitors to any person or property.
23. The owner, exhibitor, handler or other person in charge of a dog at Kennel Club licenced events, must at all times ensure that the dog is kept under proper control whilst at the licenced venue, including its environs, car and caravan parks and approaches.
