

~ IMPORTANT NOTICES ~

FOULING - FOULING MUST BE CLEANED UP ANYWHERE IN THE VENUE, INCLUDING THE CAR PARK AND GRASS AREA.

EXERCISE AREA: An exercise area is provided and it is the responsibility of the Exhibitors/Handlers to clean up any fouling caused by dogs in their charge. Equipment is provided for the purpose and your cooperation would be appreciated.

DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm. Please take care of your dog. If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused.

CHILDREN: The Committee reminds exhibitors bringing children to the show that they will be held responsible for their behaviour at all times and for any damage to property or equipment within the environs of the Showground caused by their children or children in their care.

PUPPIES: Puppies under 6 months of age on the day of the show may not be entered for competition. However, dogs over 4 months of age on the day of the show from any KC registered dog may be entered "NOT FOR COMPETITION".

PLEASE NOTE:

It is the exhibitor's responsibility to be at their class for judging.

SALE OF GOODS: Sale of goods other than those on the Club Bookstall must be cleared with the Committee beforehand.

SOFT CRATES: The Kennel Club has drawn attention to the health & safety implications concerning the use of soft crates at shows as in its view, they do not offer sufficient protection to dogs. Soft crates left unattended are a potential hazard, and it has been known for dogs to become distressed & move soft crates along the floor & also escape. They should only be used when there is sufficient room available and when they can be safely secured.

SPOT LIGHT ON THE JUDGE - Dr. Archie Brydon (Gantocks)

I first became involved in the world of dog showing on getting our second SBT in 1981 and joining the NWSBTC. Eventually I joined the committee in 1986 and still serve on it and was Chairman for 25 yrs. I first judged in 1986 and achieved championship status in 1994. Since then I have undertaken thirteen appointments in the UK and numerous ones abroad, including Australia, South Africa, USA and Canada as well as many European countries. I have also awarded Green Stars to six terrier breeds in the Irish Republic.

My greater interest in Wheatens started about fourteen years ago when I attended a SCWTC seminar which led to getting on the C list. After many fallow years sufficient appointments came my way leading to me being elevated to the Club's B list. As well as open show appointments, I judged the breed at SKC in 2018 without CCs.

Beyond actually exhibiting and judging, I have been an occasional contributor to Our Dogs, plus other publications over the years. I am also involved in canine health and as well as serving as Lead Health Co-ordinator for SBTs I am a member of the KC mentoring panel which is there to help breed HCs if required.

Dr. Archie Brydon (Gantocks)

13. All exhibitors must be familiar with Kennel Club Regulation F (Annex B) - Regulations for the Preparation of Dogs for Exhibition.
14. All dogs resident outside the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.
15. **DOGS IN VEHICLES ON HOT DAYS.** Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for action under Kennel Club Rules and Regulations. Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licenced events. When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams. If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all. The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink. Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog. When at the show, never leave your dog in the vehicle. Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated. Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time. Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.
WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.
16. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Kennel club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.
17. Not for competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.
18. No modifications will be made to this schedule except by permission of the Board of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.

20. Dog Fouling and Grooming: Any owner exhibitor handler or person in charge of a dog is required to remove, as soon as possible, any fouling caused by their dog(s) at any Kennel Club licensed show within the licensed venue and within the environs of that event, including car parks and approaches. Any organization holding a Kennel Club Licensed event is required to provide an adequate number of receptacles for the disposal of such fouling.
21. Exhibitors passes will not be sent out. Please send a SAE. If you wish for acknowledgement of entries.
22. Responsibility. SECURITY AT SHOWS

In light of recent events the Kennel Club would like to issue a reminder to all societies of the importance of security at dog shows. The Kennel Club understand that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring, it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would re-iterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors to shows generally need to be vigilant and alert. Furthermore the society provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and the evacuation procedures in place.

In view of the above, should you see anything suspicious or of concern, please alert the Show Manager, and/or the Show Secretary immediately. If it is a package or bag you are concerned about, please do NOT attempt to move it or examine it yourself.

Should it be necessary for the hall to be evacuated, please remember that evacuation should be carried out as speedily but as safely as possible, as in the case of a fire. It is important that you do not block the exit routes with cages or bags. Please follow any instructions given to you by the Show Management regarding evacuation procedures.
