Judging at Partnership Shows

Due to the current increase in partnership shows being held, the Kennel Club would like to clarify its position with regard to judging at such events.

Partnership shows are those which are held where a host society and another club share a venue and facilities in order to allow exhibitors the opportunity to exhibit at two events during the duration of the host society's show. In most cases, the host society's event will be a general championship show held over a number of days.

At partnership shows judges must not officiate at one show and enter or handle a dog for exhibition at the other show including exhibiting a different breed on another day to that which they are to judge. Partnership shows are defined as shows where the host club and other clubs share a venue and other facilities to allow exhibitors the opportunity to exhibit at each show.

SECURITY AT SHOWS

In light of recent events the Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows.

The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organizers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organizing and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organizers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

Should you see anything suspicious or of concern, please alert the Show Manager Mr. K. Green and/or the Show Secretary Mrs. Tina Green immediately. If it is a package or bag you are concerned about, please do NOT attempt to move it or examine it yourself.

Should it be necessary for the hall to be evacuated, please remember that evacuation should be carried out as speedily but as safely as possible, as in the case of a fire. It is important that you do not block the exit routes with cages or bags and follow any instructions given to you by the Show Management regarding evacuation procedures.

PRIVACY & DATA PROTECTION

Data Protection – Your privacy is important and personal data is held in accordance with our Privacy Notice which is available upon request from the Secretary.

 16. **DOGS IN VEHICLES ON HOT DAYS.** Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licenced events.
 - When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
 - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
 - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
 - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
 - When at the show, never leave your dog in the vehicle.
 - Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
 - Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.
- WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**
17. Anyone whose dog is entered at a Kennel Club licenced event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.
 18. Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club Registered.
 19. No modifications will be made to the schedule except by permission of the Board of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.
 20. All dogs must be registered. Where a change of ownership of a registered dog takes place the
